Dear Sir:

RESPONSE TO OFFICE ACTION MAILED JUNE 20, 2006

The present amendment responds to the Non-Final Office Action mailed June 20, 2006, for which a shortened statutory period for reply expired on September 20, 2006. Applicants submit herewith a Petition for Extension of Time with the appropriate fee for extending the time to reply to October 20, 2006. Accordingly, the present amendment is believed to have been timely filed.

Claims 1-11 are currently pending in the present Patent Application. The drawings are objected to under 37 C.F.R. § 1.83(a) because the drawings do not show every feature of the invention specified in the claims. Claims 1-5 and 11 are rejected under 35 U.S.C. § 112, first

paragraph, as failing to comply with the enablement requirement. Claims 1-11 are also rejected under 35 U.S.C. § 103(a).

In response, Applicants are submitting Replacement Sheets for the drawings and have amended the specification and claims 1 and 11, without prejudice, and have traversed the rejections under 35 U.S.C. § 103(a). Please reconsider the above-identified Patent Application in view of the Amendments and Remarks contained below. No new matter has been added by these Amendments.
